

Maruti Suzuki Certifies SatGuide PND C230 As MGA

SatNav Technologies, pioneers of GPS Navigation in India, today announced that India's largest passenger car company- Maruti Suzuki India Limited (BSE:532500 NSE:MARUTI) has certified SatGuide PND (Personal Navigation Device) C230 as a Maruti Genuine Accessory (MGA). Nippon, the leading Maruti Suzuki accessories provider, will make this light-weight, affordable and complete navigation device available at more than 250 Maruti showrooms spread across all Metros, Tier I and Tier-II cities in the country. On purchase of SatGuide C230 PND, the buyer gets a FREE GPS maps upgrade covering 628 cities and whopping 2 million Points of Interest.

Maruti Suzuki Genuine Parts and Accessories are priced competitively and offer the customers reliable high quality products and the best prices. The SatGuide PND C230 is an indispensable travel tool for Indian consumers with sophisticated navigation functions, clear maps, turn-by-turn guidance and voice instructions. It comes with an extensive picture storage capacity as well as MP3 player. PND C230 is capable of providing accurate and easy navigation in even the most challenging environments. SatGuide C230 device will be available at all Maruti accessory stores across the country and this device will be sold exclusively at Maruti showrooms only. More information on the SatGuide PND C230 can be found on

http://www.satguide.in/product/satguide_c230_for_maruti.aspx.

"Founded on the principles of innovation and performance, Maruti has been offering its customers the best driving experience on Indian roads for almost 25 years. Similarly, SatGuide PND C230 offers one of the most comprehensive and reliable personal navigation solutions for the Indian market", said Amit Prasad, Founder and Chief Executive Officer, SatNav Technologies.

This tie-up reinforces SatNav's ability to provide the paramount and bespoke navigation solutions in Indian market. The hardware and software are both from Global Majors Mio and Destinator, which helps ensure that the best in class quality is being delivered to the Maruti customer. This will also help Maruti provide their valued customers with a convenient option to choose PND for their automobiles directly from the showroom. The joint service of Maruti cars and SatNav navigation solutions through Nippon, will ensure the availability of excellent services to the customers in Indian market, and provide a basis for an enhanced collaboration that is a 'win-win' for Maruti, Nippon and SatNav.
